Dear Ms. Stratton:

Thank you so much for your extremely thoughtful and generous donation of ten gift certificates for massages, which you have valued at \$600, for residents of our Safe Homes Project Poetry House Shelter for victims of domestic violence. It means a great deal to us all that the local community believes in our work.

The massages will be a wonderful way to pamper our residents during a season that can be very difficult for people in crisis. We deeply appreciate your helping us to create a warm and festive holiday atmosphere.

Over the last 30 years the Safe Homes Project has grown from a pioneering network of volunteer "safe homes" in Park Slope into a provider of vital residential and non-residential services for the broader New York community. The Safe Homes Project is also a component of the larger continuum of services Good Shepherd Services provides for vulnerable children, young people and families throughout New York City. I have enclosed a brochure about Good Shepherd to give you a better idea of the size and scope of our work, which includes the Safe Homes Project. You can also always find more information about our programs and services at www.goodshepherds.org.

Thank you again for your support. I send my best wishes for a joyous holiday and a happy and healthy New Year.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sr. Paulette".
